LEGEND.

CHARTER GRANTED MARCH 7, 1842.

FORMAL OPENING NOVEMBER 13, 1844.

The Ohio Wesleyan University having just completed its fourth decade, this seems a most fitting time to scan the horizon while presenting the salient facts of our history in a series of statistical tables. During these forty years one thousand and ninety students have been graduated, and as follows :

	GENTLEMEN.	LADIES.	TOTAL.
Bachelor of Arts	862	16	878
Bachelor of Science.....	78	5	83
Bachelor of Literature.....	---	129	129

Third Decade, 1866-75.

Bachelor of Literature.....	---	129	129

The importance of an institution of learning to a denomination and to the Christian world at large is well shown in the following table, which includes those enrolled in

the several Theological seminaries as well as those who have formally entered upon the work of the ministry :

In Ministry of the Methodist Episcopal Church.....	343
In Ministry of the Methodist Episcopal Church South.....	2
In Ministry of Presbyterian Church.....	14
In Ministry of Congregational Church.....	3
In Ministry of all other Denominations.....	7
	<hr/> 369

As might naturally be expected, the several conferences in Ohio have received the largest accession, although the church, throughout all its bounds, has been materially benefited and strengthened. The alumni in the several conferences of Ohio are distributed as follows:

Central Ohio.....	26	North Ohio.....	24
Cincinnati.....	32	Ohio.....	35
East Ohio.....	2		<hr/>
Members of the Ohio Conferences (1886).....			119

The missionary spirit has been fostered since the founding of the University, and, as a result, alumni are laboring in every great mission-field of the church, with but a single exception. Counting, also, the Alumnae of the Ohio Wesleyan Female College, the list is as follows:

India.....	10	Mexico.....	3
China.....	4	Chili.....	2
Japan.....	3	Brazil.....	1
Korea.....	2	Argentine Republic.....	1
Number of Missionaries to Foreign Fields (including Alumnae).....			<hr/> 27
Number who have returned to the United States.....			4
Number in active service (1886).....			<hr/> 23

During the earlier years of our history a special Theological training was neither insisted upon nor encouraged as a pre-requisite for admission into an annual conference. Hence, with the exception of the few Alumni who were members of other denominations than the Methodist Episcopal, our graduates did not avail themselves of the advantages provided at the Theological seminaries. A member of the class of 1864 has the honor of being the first. During the past twenty years a constantly increasing number have attended these institutions of the church, and to-day the larger proportion of those who enter the ministry, do so by way of a Theological seminary. The following table shows the number of our Alumni who have taken the degree of "B. D." or "S. T. B.," at the several institutions named.

Boston University.....	33	Yale College.....	1
Drew Seminary.....	15	Union Seminary.....	1
Garrett Institute.....	6	Western Seminary.....	1
Princeton Seminary.....	2	Gambier Theological School.....	1
Latte Seminary.....	3	Ursinus College.....	1

This list does not include those enrolled in the seminaries at this writing nor those who have taken a partial course, of whom there are a large number.

Twenty-eight of the Alumni have received the honorary degree of Doctor of Divinity which has been conferred as follows :

Ohio Wesleyan University.....	7	De Pauw University.....	1
Baldwin University.....	3	Dickinson College.....	1
Iowa Wesleyan University.....	3	Simpson Centenary College.....	1
Syracuse University.....	2	Kentucky Military Institute.....	1
Illinois Wesleyan University.....	2	Ohio Central College.....	1
North Western University.....	2	Springfield Collegiate Institute.....	1
Cornell College.....	2	Chaddock College.....	1

Four have received the higher honor of Doctor of Laws.

Ohio Wesleyan University.....	2
Missouri University.....	1
Monmouth College.....	1

The degree of Doctor of Philosophy, unlike the other doctorates just named, is more frequently conferred on examination and after the completion of a prescribed course of study. Ten of the Alumni have received it in this manner and to six others it has been given as an honor.

Yale College.....	1	De Pauw University.....	3

What was said about the special training in Theological studies applies with equal truthfulness to that of the law. Our earlier graduates were admitted to practice by the Common Pleas Court on a simple motion after one or two years reading. The passage of a law by the Legislature of Ohio, placing the entire authority with the Judges on the Supreme Bench of the State, called attention to the necessity for better preparation. Our young graduates are flocking to the nearest law schools and have already been graduated therefrom as follows :

Cincinnati Law College.....	33	Cumberland University.....	1
University of Michigan.....	9	Iowa State University.....	1
Albany Law School.....	4	Columbian Law School.....	2
Columbia College.....	3	National Law School.....	1
Harvard University.....	3	Ohio State and Union Law School.....	1
Boston University.....	1	<hr/>	
		59	

As might be expected, the Medical education has taken a much wider range, and the list of institutions from which the degree of Doctor of Medicine has been obtained is a notable one. This is in part owing to the different schools of medicine, with their diverse requirements, but more largely to the fact that medical colleges of high grade and deserved honor are to be found in every State—indeed, in every city—in the country:

Ohio Medical College.....	16	Columbus Medical College.....	2
Miami Medical.....	10	Cincinnati Medical College.....	2
University of New York.....	4	Cleveland Medical College.....	1
College of Physicians, Baltimore.....	4	Louisville Medical College.....	1
Starling Medical College.....	1	Howard Medical College.....	1
Ohio Eclectic Medical.....	3	Iowa State University.....	2
Rush Medical College.....	3	University of Michigan.....	1
Transylvania Medical College.....	2	Homœopathic Medical College of Pennsylvania.....	1
University of Missouri.....	2	Western Reserve Medical College.....	1
St. Louis Medical College.....	2	Cleveland Homœopathic College.....	1
Jefferson Medical College.....	2	Scio College.....	1
Bellevue Medical College.....	2		68

The degree of Master of Arts "in cursu" has been conferred upon 524 of the graduates. The following institutions have given the same degree upon examination:

Harvard University.....	2	Iowa Wesleyan University.....	1
Halle University.....	1	Simpson Centenary College.....	1
Michigan University.....	2		7

Harvard University has conferred the degree of Bachelor of Arts upon two, and Boston University, the same upon one, of our Alumni.

The rarer literary and semi-professional degrees have been bestowed as follows:

Ph. B., University of Missouri.....	1	C. E., University of Michigan.....	2
Ph. C., University of Michigan.....	1	M. E., University of Michigan.....	1

Adding together the summaries obtained above, it appears that the total number of degrees of all kinds (not counting the M. A., in cursu,) conferred upon the alumni of the University, since their graduation, is two hundred and fifty-four. These have been bestowed as honors upon thirty-nine, as the result of examination, upon one hundred and ninety-five of the alumni. One-fifth of the graduates of the University have taken a post-graduate course of study.

The table on page sixteen shows the distribution of these degrees through the several classes. The number graduating each year, and the courses of study, are also shown in detail.

Next to the Christian ministry, the profession of teaching has attracted the largest number. Two hundred and seventy Alumni have been superintendents and teachers in the public schools of the several States, and have given to this work over eleven hundred years' service. One hundred and sixty-eight have been professors in seminaries or colleges, while no less a number than forty-one have been Presidents of these higher institutions of learning.

Public life, perhaps it may be said to our credit, has thus far had but slight attraction. A single seat in Congress, the Governorships of two States, three representatives to foreign courts, and fifty-four other and lower official positions under State and National governments, complete the entire list.

During the war of 1861 to 1865, one hundred and eighteen Alumni enlisted in the Union army, and served for a period of over two hundred and fifty years. The University has to-day a representative in the regular army, and also one in the navy of the United States, but had none in the army of the Confederates.

Medicine and law, the two professions of profit, have representatives in every class, and are unusually attractive to-day. Sixty-eight of the Alumni entered upon the former profession, and two hundred and eighteen the latter, although more than fifty have since retired from active practice.

Journalism has attracted thirty-nine of the Alumni of the University; art and the field of invention, each a half score; agriculture two score; and business, in the various branches, a round hundred.

The distribution of Alumni to-day is shown in the following tables:

Ohio.....	606	Michigan.....	12	Oregon.....	2

OHIO WESLEYAN FEMALE COLLEGE.

1853-1877.

The Ohio Wesleyan Female College, Chartered April 1, 1853, was formally united with the Ohio Wesleyan University, August 6, 1877. The following Alumnæ Record is the first serious attempt that has been made to arrange the Graduates of that institution by classes in the order of Graduation.

No one can be as conscious as the editor of its many errors and omissions. No complete roll of residences, marriages, and deaths, of attainments and honors, has been preserved in the College. Former lists were found to be incomplete, names having been omitted which were recorded in the minutes of the Board of Trustees.

In the collection of material for this report, circulars were sent to each Alumna whose address could be obtained. Letters were also sent to one or more members of each class, to the Alumnæ Association, and to our church papers. Through these agencies we have reached three-fourths of the whole number of graduates. Of many others we simply know that they married and moved to the West.

It is to be hoped that all persons having information concerning the Alumnæ, will report the same to the editor, for publication in the University paper, and for future editions of this Catalogue.

Incomplete as is this record, it contains very much that reflects honor on the University, and compares most favorably with that of the Alumni which immediately precedes it.

In this long list of four hundred and eleven graduates, may be found the names of those who have won great and deserved honors in school and college, in the professions and in foreign mission fields, while the higher ministry of home and church influence is not one that can be recorded on paper.
